

The Paris Print Design Fair – PRESS RELEASE

10th + 11th February 2019

'Textile Events' are excited to announce the launch of a brand new Print + Vintage exhibition, to be held in the centre of Paris.

The boutique event will showcase the collections of around 10 international studios hailing from the UK, Belgium and the US.

As we approach the inevitably hectic weeks of catwalks ahead, we offer the perfect opportunity to source the latest collections in a more intimate and relaxed setting.

Paris is historically the fashion capital of the world hence the vast migration of international fashion houses at this time of year.

We are expecting a great turn out with a large number of pre-registrations already, despite this being our debut show.

We look forward to seeing and inspiring you at this not to be missed event!
